

Neema Mwende

Software Developer

 neeammwende009@gmail.com

 0792366778

 [Github](#)

Enthusiastic and results-driven Computer Science graduate specializing in modern web development technologies. Proficient in building scalable and high-performance applications using React, Next.js, TypeScript, and back-end frameworks like Node.js, Express.js, and Django. Skilled in database management with MySQL and MongoDB, with hands-on experience in Linux environments and version control using Git. Adept at crafting visually appealing and user-friendly interfaces with a strong commitment to excellence, problem-solving, and collaboration in software development.

Experience

- ZapTech - Frontend Developer intern

October 2024 - December 2024

 - Developed and optimized server-side rendered web applications using Next.js, enhancing performance and user experience through efficient routing and dynamic content delivery.
- Glitex Solutions Limited - Software developer intern

Jan 2022 - April 2022

 - Built and maintained responsive React-based user interfaces, implementing reusable components and state management to deliver seamless and dynamic web experiences.
